Hello all,

Here is the link to the financial accountability for all 4-H chartered groups/clubs that I just received from the interim state 4-H Director. Please see the last bullet under the first heading, the 3<sup>rd</sup> bullet under the second heading, and the chart on the 2<sup>nd</sup> page. This should clear up any concerns you have regarding my statements that I have made to you about the financial responsibilities I have.

[http://colorado4h.org/agent\\_resources/taxdocs/02-4H-MoneyMatters-FactSheet-FinancialAccountability.pdf](http://colorado4h.org/agent_resources/taxdocs/02-4H-MoneyMatters-FactSheet-FinancialAccountability.pdf). Donna, you are still welcome to call Jean or Gary, but this is what they will refer you to.

I have three people that have expressed interest in serving on the 4-H Foundation Board: Bill Baker (719-942-3027), Katie Smith (719-942-3899), and Nancy Watkins (783-3071). Please put them on your list for February 6<sup>th</sup>.

Officer training is \$5. Our deadline will be 1/16 and I will know how many youth I will be taking. Do you want me to have those youth fill out a scholarship form too? What about the non-members? I will collect the money to pay Pueblo Ext. office on Saturday, but the youth/parents will need to get reimbursed. Please let me know how you would like me to proceed.

I am also enclosing the reimbursement policy for your input. Please review and let me know your thoughts so we can get this out to the youth.

Thank you,  
Robin

Donna or Polly,

I believe we still need to have this conversation with the State 4H Foundation. Not the Extension service or 4H Organization. As an individual I'm "accountable" for my finances to the IRS - for reporting in a certain way, etc. That doesn't mean the IRS can tell my family not to buy a certain house or car because they don't agree with the one we chose. I keep going back the illogical process of what Robin is saying. What is the purpose of having a Board and the Extension Agent not having a vote on the Board but being able to undo anything and everything the Board decides? She doesn't even get to vote on who the Board members are. I would like to see responses to Polly's email to members regarding serving in addition to those solicited by Robyn to give us a broader choice for positions.

Hi all,

I have heard back from Polly and Cheryl that January 6<sup>th</sup> would be a good day for us to meet. I would like to set the meeting and hope the rest of you will please come. The Foundation is not what it is today without all of your hard work. There were a lot of wonderful things that came from the Foundation in 2016; camp attendance was up, Katlyn Freeburg attended National Congress and Grace Watkins is applying for National Conference, we sent youth to regional officer training, and the cream of the crop was the 4-H Foundation "Pot of Gold" Camp! These are just a few of the highlights. Your hard work has paid off for Custer County youth. This has not been an easy year at times and I want to say I'm sorry for my mistakes. In the end we worked together to accomplish a very successful year and I am grateful to work with this group.

So with that, I hope you will all come on January 6<sup>th</sup> at 8:30? If there is a more agreeable time, please let me know. I have the day open at this point. I would like to buy you all breakfast, lunch, coffee, tea, or whatever at Rancher's Roost. You all have gotten the ship this far, please help guide it into the next set of waters. Ok that was lame, but true!

I wish you all a very Merry Christmas and Happy New Year!

Hi everyone,

I hope you are all having a wonderful holiday season. I would like to schedule a meeting with you either before the end of the year or the beginning of January. I know some of you are going off of the board and we need to talk about new board members. I know there are some people from the membership that expressed interest in joining the board, but we should get together to decide how to move forward. I also would like to discuss the upcoming 4-H Camp. Nothing has been planned other than I am writing a grant (due tomorrow) that will hopefully help support the majority of the financials. It's from the Colorado Corn Association and the camp needs to be focused on Agriculture. I have started to assemble the Teen Council which will help to put the camp together, but we need to come up with an outline for them to work from.

Could you please let me know of your availability on December 28<sup>th</sup>, 29<sup>th</sup>, or 30<sup>th</sup>; or January 3<sup>rd</sup>, 4<sup>th</sup>, or 6<sup>th</sup>?

Thank you!

Hello all,

As I mentioned in the last meeting, I will be unable to attend tomorrow so I won't be giving an agent report. The only thing I have to talk about is the 4-H camp. I didn't get the Colorado Corn grant. Currently, I have Sky Ranch booked for April 22<sup>nd</sup> but Donna had mentioned having it at APV and the 22<sup>nd</sup> doesn't work for her. If you want to change it away from Sky Ranch, then please let me know dates ASAP. There are quite a few weekends in March that would limit kids attending - Hunter Safety on the 4,5 and Spring Break over 2 weekends, and the 11,12 is district retreat. I am unavailable the 1<sup>st</sup> and 15<sup>th</sup> of April as well. Please let me know soon after the meeting what you discuss about the camp so I can call upon the teen council to help plan with the 4-H Foundation and myself. Thanks.

I hope you have a good meeting,

Robin
