2022 FRIENDS OF NRA RAFFLE AND DINNER

by Mark Bunch/Royal Gorge
Gun Club President/Chairman
Fremont County NRA

Patriots and Second Amendment supporters have had a couple of tough years. One of the greatest risks to our freedoms is the neutering of our Second Amendment (2A) rights which have been under attack for decades now.

Bearing arms to protect your family from evil doers is one of the main tenants of our great Republic. Whether it was two legged, or four legged wolves at your door, having the God Given Right to defend yourself and the guns/ammo in which to do so was and always has been your Constitutional right.

I have been involved in the firearms industry, from competitive shooting, all levels of firearms instruction to law enforcement personnel as well as civilians for 30 plus years. I have spent countless thousands of hours training, competing, examining and working on firearms, to selling them in my own gun stores along with class 3 weapons like suppressors and fully automatic firearms, I also

own my own NRA certified firearms training center and 1 ft to over 1 mile gun range so I am what you could call a True believer in our cause.

Over the past few years the NRA has been the punching bag of the leftist elite and they have done everything they could possibly do to attack the NRA and siphon off support everywhere they could possibly do so. Granted, like any other organization the NRA is not perfect and needs to clean up some of our own backyard messes, but if YOU are also a true believer like I am, there is only one organization on planet earth that has ever put their money where their mouth is when it came to defending your Second Amendment rights, and that is the NRA.

I have been the NRA Chairman of Fremont County for close to a decade now, and my team and I are proud of the work that we have done to help raise money to fund the local shooting sports such as 4H and the Wounded Warriors Guide Service and the Royal Gorge Gun and Pistol Club. We work very hard to make sure that your 2A rights are

protected here locally, regionally and nationally.

Our next Friends of NRA dinner is scheduled for Saturday, May 14th, at the Holy Cross Abbey Event Center from 5 to 10 p.m. If you have never attended one of these events, they are loads of fun and you get to associate with likeminded people while also supporting and helping to protect your 2A rights.

We will have everything we always have in the way of awesome guns, fun games, great food, door prizes and a spectacular live auction line up with my fellow Marine buddy Champion Auctioneer Dean Gunter, and Cissy Tabor conducting our live auction.

Come see the NRA Gun of the Year. the exquisite and extremely limited Sig Sauer 1911 .45 acp with special 30th anniversary grips, as well as many other high-quality rifles, pistols and shotguns. Dinner tickets are \$45 each and you get your choice of Prime Rib or Chicken. You do not have to be an NRA member to attend and participate either.

We're also running our awesome

Freedom Fighter pre-event raffle and tickets TO OUR FNRA raffle are only \$50 each!! This raffle will be drawn on Saturday night May 14th at 8 pm and you do not have to be in attendance in order to win this raffle, BUT you do have to buy a ticket or two, lol !

One of you lucky Rednecks will win every one of these seven high quality firearms worth over \$4,000 and a 26 gun Winchester Fire Safe. Only 250 tickets are being sold. Firearms include two very limited edition Kimber 1911s, one in .45 acp, and one in .380 acp, a Smith and Wesson M&P AR15 in 5.56, 911, a Kel Tec KS-7 Limited Edition 12 gauge shotgun, a Ruger American in Go wild Camo in 6.5CM, 30th Anniversary Edition FNRA Henry Golden Boy in 22LR, and Gen 5 Glock 19 in 9mm with the brand new and extremely accurate Marksman barrel.

We also have a couple of Corporate tables left to purchase which include 8 dinner tickets with your choice of meals between prime rib, chicken or vegetarian, prominent seating and being served first for dinner and dessert, if anyone is

interested in one of them while we still have them available. Our Corporate table prices are \$2,000 which includes your choice of a S&W, M&P, AR15 in .556 or a magnificent Kimber CDP 2 1911 .45acp in stainless. We also have a \$1,500 corporate table which includes your choice of a Springfield Hellcat OSP, a Kel-tec KS7 12 gauge, a Henry Golden Boy 22LR, a Smith and Wesson Shield Plus 9mm or a Gen 5 Glock 9mm with the new Marksman barrel.

You can purchase dinner and or raffle tickets by stopping by Lincoln Park Pawn and seeing either Mark or John at 1345 Elm Ave, or call us at: 719-276-3030

We need your help to protect our Second Amendment Rights, so please make an effort to contribute, I thank you all in advance.

The democrats defund the police, fail to prosecute criminals, and then tell us they are going to increase restrictions on firearms. This isn't stupidity or ignorance.

This is evil. As I have said before, this the communist way. —John R. Lott
