Case Number: N/A

Agency: 11th Judicial District Attorney's Office

Per the request of Custer County Sheriff Smith, I Investigator Matthew Gribble with the 11th Judicial District Attorney's Office investigated a complaint made by Jordan Hedberg against Commissioner William Canda regarding a stop payment, Jordan believes was not authorized, that was filed at United Business Bank located at 102 S. Adams Blvd Westcliffe CO. 81252. The stop payment was filed on August 25th, 2023, attempting to stop a payment to Braden Wilson in the amount of \$54,735.75.

On December 11th, 2023, I served a search warrant on United Business Bank requesting signature cards of all authorized users on the Custer County Account in question.

On December 12th, 2023, I received the documents requested from United Business Bank through a secure message. Included in these documents was a signature card signed by William Canda stating he is authorized to file stop payments, and he is an authorized signer on the Custer County Account.

Nothing further at this time.
